

# 304 Rescue Swimmer Gear Bag

The rugged #304 Gear Bag was designed for rescue swimmers and has been standard issue gear for U.S. Navy and Coast Guard helicopter rescue swimmers. This item features padded shoulder straps and a top carrying handle. There are also compartments of various sizes to separate equipment for organization and easy access when needed. Side compartments are perfect for fins. The front compartments are double padded for delicate equipment protection. Flight line ready - non-skid tough!
