

# 408 Litter Cover - Medevac IIA Break-Apart

Designed specifically for our 406 (series) break-apart litters, these international orange stowage cases are constructed of Herculite vinyl-coated nylon. Mounting holes can be cut through the case as required without the fabric unraveling or tearing. The top flap of each case is fitted with a lifting ring and strap rated at a 50KG WLL for hoisting the litter and ancillary equipment to and from the helicopter.

For #406, #406-F, #406-TI-F Break-Apart Litters
