

# 610 Raintec Rain Gear

LSC's ultimate breathable rain gear. This lightweight, heavy-duty, two piece rain suit is made with a high tech tri-laminate fabric. The fabric is waterproof and windproof, yet breathable allowing body moisture to escape as vapor for all day comfort. The inner membrane is protected by a durable, high tenacity nylon shell and a tricot mesh lining creating a comfortable rain suit with no loss in functionality. All seams are sealed with heat welded tape to further ensure waterproof integrity. Available with US Coast Guard (Active Duty purchase only) and Coast Guard Auxiliary markings.
