

#377 Snap Hook Clip for Boat Hooks

Product Description:

Used to hold open the latch gate of LSC #367 and #667 snap hooks. Attached to a pole, it can be used to reach out and snap the hook onto mooring buoys, bow cleats, deck rings, etc. Once the hook is engaged, a simple pull back on the pole releases the hook and latch gate simultaneously. Constructed of stainless steel, it will provide many years of service. Includes stainless steel mounting screws. Snap hook and pole are not included.

Specifications:
